Re: New Vista Nursing and Rehabilitation
Case 22-CA-029988

**DENIAL OF EXTENSION OF TIME TO FILE
POSITION STATEMENT ON REMAND**

Dear Mr. Jasinski:

This letter is in response to your January 23, 2018 letter seeking a one-week extension of time until January 31, 2018 to submit your position statement on remand. In your request, you state that you attempted to call the NLRB and received a message that the NLRB was closed due to the shutdown. You provide no other reason for seeking an extension of the due date for your position statement.

Section 102.2(c) of the Board's Rules and Regulations specifies that “[r]equests for extensions of time filed within 3 days of the due date must be grounded upon circumstances not reasonably foreseeable in advance. Requests for extensions of time must be in writing and must be served simultaneously on the other parties.”

You filed your extension-of-time request late in the day on January 23, 2018, the due date for the document. As noted above, you provide no unforeseen circumstances that would justify filing your request within three days of the due date. By the time you filed your request, the General Counsel's Office and the Charging Party had already filed their position statements; thus, granting your request would allow you the unfair advantage of tailoring your position statement to theirs. In addition, you did not serve your request on the Charging Party, and you have not filed a Notice of Appearance in this case. Accordingly, your request is denied.

Very truly yours,

/s/ Leigh A. Reardon
Associate Executive Secretary
